Soterian Slim TS008 Letterplate

Soterian Slim TS008 Letterplate

The Soterian Slim Letterplate sets all the TS008 letterplates above the rest. It boasts features that are stylish, streamlined and secure. It's the ultimate letterplate made to protect and style any door.

It features an intumescent liner within the internal body and has been tested and passed the FD30 fire rating with Certifire accreditation.

Features & Benefits:

- Compact TS008 letterplate.
- Designed for 44mm – 70mm, composite, timber & uPVC doors.
- Quick and easy to fit – Within five steps.
- No visible fixings or external fixings.
- Internal flap protection of 14mm.
- Pivoting stay system limits the flap opening to 39°
- Restricted opening to protect against key fishing and lock manipulations.
- BSI Certified to work on PAS24:2016 doors.
- Mix and match colour solution for freedom to choose your finishes on either external or internal frames.

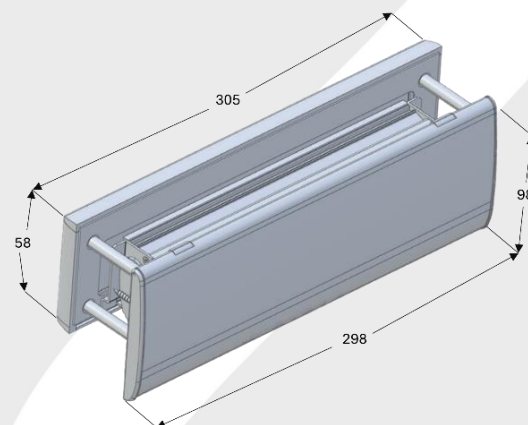

Testing:

- TS008-2015 accredited.
- Certifire accredited – CF6025 refers.
- Smoke tested in accordance with BS EN 1634-3
- Salt spray tested to BS EN 1670 – Class 5.
- Cycle Tested = 20,000.

Guarantee:

- Surface Coating = '5 Years Inland'**
- Mechanical Failure = '5 Years Inland'**

** For more information please ask for guarantee details.

Measuring just 298mm x98mm with a flap projection of 14mm (21mm less than standard models).

Please be advised you will need both External and Internal for fitment. However, it is possible to mix and match the frames.
